TO: AREA TEACHERS AND PRINCIPALS

May 03, 2010

Dear Friends,

The student from your school, whose name appears at the end of this letter, is a member of the North Carolina Boys Choir or Chamber Choir.

The Concert and Chamber Choirs will be presenting several concerts in areas of North Carolina Friday, May 14 through Monday, May 17, 2010. The choir will gather at 3:00pm on Friday and depart to Sanford, NC. They will return from Morehead City/Atlantic Beach, NC at 6:00pm on Monday, May 17, after having given one performance in Sanford, two performances in Wilmington and one final performance in Morehead City.

This choir is in its thirty-ninth season – founded as the Durham Boys Choir, and designated the North Carolina Boys Choir in 1983 by Governor James B. Hunt, Jr. This designation as the North Carolina Boys Choir was made, in part, for the excellence of music, the cultural and educational concerts the choir presents locally, statewide, throughout the United States and Canada, and the for the service that many of these young men give back to their school music programs. In addition, many have referred to these members as “the finest ambassadors that a State could have,” for they do represent the State of North Carolina well.

We hope you will excuse this member from your school on Monday, May 17. We expect each young man to make up all work he may have missed, and further more, we want our members to excel in school. If this is not the case, we would appreciate knowing.

We are truly pleased to have this student from your school as a part of the North Carolina Boys Choir!

Thank you.

Sincerely,

William J. Graham,
Musical Director
